

Venue: EMS Laser Master Yachtclub Breitenbrunn

Welcome to Austria especially the Burgenland and the Yachtclub Breitenbrunn!
We are delighted that Yachtclub Breitenbrunn ist the venue for next European Laser Masters Series. We will do our best to make your days in Breitenbrunn as pleasant as possible. Lake Neusiedl, with its good wind conditions, offers the ideal initial basis for these championships. There is plenty of room to lay the courses and sometimes the winds can prove a very real challenge. We hope that you will be pleased not only with the sporting part of the event, because the inhabitants of this part of the country, which looks back on many centuries of civilization, have a good deal to offer in the way of art and culture, too.
